EQUINOCTIAL STORM DOES DAMAGE IN TEXAS.

DALLAS, TEX., April 14.—The worst equinoctial storm for many years swept over North Texas and Southern Oklahoma Tuesday night, leaving in its wake sixty-seven deaths, hundreds of injured persons and property damage will amount to many thousands of dollars, according to incomplete reports received here.

Twenty-eight of the known dead were white persons.

The storm came up from the Rio Grande Valley with a high wind and heavy rain, gaining force until it tore through the northern tier of Texas counties with the destructiveness of a tornado.

Reports received here show fatalities from the following towns:

Denison Tex., 4; Durant, Okla., 6; Wood County, Tex., 4; Ector, Tex., 3; Ravenna, Tex., 8; Minola, Tex., 11; Tundra, Tex., 8; Winnsboro, Tex., 15; San Angelo, Tex., 1; Texarkana, Tex., 1; Newsome, Tex., 6.

The course of the storm was erratic. At times it leaped a mile or more, skipping one farmhouse un-

harmd, only to demolish the next one. No cities of any size were in its path. Most of those killed were caught under their falling homes and buried. The heavy rainfall at once extinguished the numerous fires that started when houses were overturned.

THE LAY OF THE HEN.

An egg a day the old hen lays, with which the housewife blithely pays for books and clothes and children's shoes and Grange and Farmers Union dues. The old hen pays the rooster's board, she buys the gas to run the Ford; she even buys the old man's cud, and still she meets her with a thud, if in the feed box she should stray, or roost upon his new mown hay. She buys the soap to clean the kids, the sugar and the family lids. She's up the first one in the morning, she's out and hustling in the corn before the old man chucks his snore to call the boys to do the chores. She's always happy at her work; no one can say that she's a shirk. She don't belong to any club, believes in paying for her grub. She does not work and doesn't care how others comb or curl their hair. She lives to serve and serves to live, gets all she can, is free to give of what the good Lord gives her. A message from the hen to you is that there are but very few so thoughtless for their own reward, and few who sing and work so hard to make this old world a fit place to live in for the human race.

IF I WERE A FARMER

If I were a farmer I would keep at hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Colic and Diarrhoea Remedy for bowel complaints.

Chamberlain's Liniment for sprains and bruises and rheumatic pains. Chamberlain's Tablets for stomach troubles, biliousness and constipation.

By having these articles at hand it would often save the trouble of a trip to town in the busiest season or in the night, and would enable me to treat slight ailments as soon as they appear, and thereby avoid the more serious diseases that so often follow.

WASHINGTON LOOKED AHEAD

When Washington was president of the United States, farming was not at all scientific. In fact farming could be made profitable simply because there was limitless acres of virgin soil to be cleared and broken for crops.

That he saw far into the future and was anxious to have the government take a hand in solving the farmer's many problems is shown in his last annual message to Congress. In that memorable paper he suggested a department or board of agriculture which might "by premiums and small pecuniary aids to encourage and assist a spirit of discovery and improvement."

WHOOPIING COUGH.

Give Chamberlain's Cough Remedy to keep the cough loose and expectation easy. It is excellent.

SIGNS OF DISTRESS

Paris People Should Know How to Read and Heed Them.

Disordered kidneys give many signals of distress. The secretions may be dark, contain sediment. Passages are sometimes frequent, scanty, painful.

Backache is often present day and night. Headaches and dizzy spells may occur.

Weakened kidneys should receive quick help.

Don't delay! Use a special kidney remedy.

Doan's Kidney Pills are for weak kidneys, backache and urinary disorders.

Paris evidence proves their worth. Chas Stewart, tinsmith, Lileston avenue, says: "I have had three or four attacks of lumbago in the past few years, the first being the worst. There was a constant, dull ache in my back all the time and often sharp. It sometimes seemed as though I could hardly endure the misery. I tried different remedies with no results. I heard of Doan's Kidney Pills and procured them from the Ardery Drug Co. The first box helped me and I continued taking them until cured. Attacks since then have always been slight. Doan's Kidney Pills have never failed to relieve me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stewart had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

COMMISSIONER COHEN ISSUES FIRST MONTHLY CROP REPORT

Commissioner of Agriculture Mat S. Cohen has issued his first monthly crop report for 1919, as follows:

"Reports coming to this department give the wheat acreage originally sown at 108 per cent, as compared with 99 per cent., showing at this time last year, while condition is given at 102 per cent.

"Acreage of rye originally sown is 90 per cent., which shows 5 per cent. decrease from last year's acreage, while the condition shows at 96 per cent. Barley acreage originally sown is 85 per cent., while the condition is 94 per cent.

"The acreage of oats planted is 88 per cent, as compared with 83 per cent. last year. Soil condition is given at 93 per cent.

"A large increase in acreage of Burley tobacco is indicated, the same being estimated at 113 per cent., as compared with the acreage of 99 per cent. given at this time last year.

LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVERISH AND SICK

Take No Chances! Move Poisons From Liver and Bowels at Once.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can't cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

TO THE FARMERS AND HOUSE-KEEPERS—BUILD MARTIN BOXES.

Doubtless every one knows the value of the purple martin, which usually makes its appearance in Kentucky from April 1 to the 15, and which is one of the greatest insect destroyers of the bird species. And since farmers of Kentucky lose thousands of dollars annually through the medium of the insect and since it is most imperative that the blue martin be encouraged to the fullest extent to come and remain with us, I feel that in justice to the hungry, starving millions, that every housekeeper and every farmer in Kentucky should at once erect poles and place upon same a simple and substantial martin box as a home for these most valuable birds.

It will only necessitate a little time and expenditure of a very small amount of funds and will result in a saving of almost an unlimited amount of foods and seeds.

Therefore, please do not put it off, or "let George do it," but begin today the erection of homes for these busy, useful and badly needed little birds.

MAT S. COHEN,
Commissioner of Agriculture.

Here's the big work, little cost tractor—the Titan

THE Titan 10-20 has been on the market for years, and has made good without reservation. 10 horsepower at the draw bar—20 horsepower at the belt.

A well-balanced tractor that is suited to all farm power work. It drives easily, affords maximum pulling power for its weight, and is suited in every way to the general run of farm work. Not too large for the small farm, yet large enough to handle a great volume of work.

Use it with an Oliver Plow—

We recommend that you use an Oliver plow with your Titan tractor because it means the best plowing under all conditions. The combined rolling coupler and jointer buries all trash and weeds at the bottom of the furrow; the stop device maintains an even depth of furrow; the plow points enter and leave the ground first, making it possible to plow clear to the ends of the field; and the trip rope control operates easily from the driver's seat on the tractor.

We have a full line of Oliver plows as well as the Titan tractor here at our salesroom.
